Silver Eye Benefit Auction 2022

10.22.22

Silver Eye Center for Photography

4808 Penn Avenue, Pittsburgh, PA 15224

Preview Party: Thursday, September 1, 7pm

Preview Exhibition: September 2– October 22, 2022

Live Auction: Saturday, October 22, 5:30pm

Save the Date! Benefit Auction 2022 will feature an extraordinary selection of contemporary and vintage photography, including work by world-renowned icons, prominent mid-career artists, and exciting emerging voices.

This event directly supports the heart of our organization, our exhibitions program, which features five original shows of new work from emerging, mid-career, and under-recognized artists from all over the world every year. The Auction allows us to directly support all of our artists with cash honorariums and free production through the Lab @ Silver Eye.

We are grateful to the artists and estates who have generously donated work to the Auction in support of Silver Eye and are honored to be able to offer these pieces to our supporters.

The Benefit Auction Preview Exhibition gives Auction-goers and the public alike a chance to be among the first to see the lots up for bid.

Tickets for the Auction and Preview Party are on sale starting July 28 at:
